MEMORANDUM FOR: Executive Director-Comptroller

I finally had a chance to read Dr.
Historical Report while I had the weekend duty.

25X1

While you asked me to telephone my reaction, this is to advise that I concur in the overall approach, particularly the one which provides for an Agency (CIA-DCI) type history. We have concentrated on the component parts, namely the Directorate histories, but have not developed the Agency history which, after all, is the important one. Catching up on the Directorate histories is quite a job but with proper effort we could probably meet the deadline of 1971-72.
